ACKNOWLEDGMENT SPECIFICATIONS

WHAT IS AN ACKNOWLEDGMENT?

In the non-profit world, an acknowledgment is similar to an advertisement in a print magazine. However, an acknowledgment may not have comparative statements (e.g. "our product is better than another") or a direct call to action (e.g. "buy today").

FILE SPECIFICATIONS

A high-resolution PDF file is required for all submissions. All fonts must be embedded. Minimum required image resolution is 300 DPI. All color files must be created in CMYK color mode. No other colors (e.g. spot colors) should be present in the file. Please include a 1/4" minimum bleed on all sides of your artwork. All fonts should be converted to outlines before submitting file. Do not send true type fonts.

FILE SUBMISSION

Please submit your artwork by email to Nate Gibby (nate@bioutah.org). If files are larger than 8 MB, please send via Dropbox or other comparable file sharing service. BioUtah is not responsible for any errors in reproduction if artwork is not provided according to the above specifications.
